Every family whose child/children participates in the ECA junior varsity and varsity sports program is required to join the Booster Club. Booster Club dues must be paid by August 1, 2007. These monies will be applied toward expenses (i.e., gas, transportation, equipment, etc.) associated with the sports program. Every family will be required to work concessions/gate for one to three games of the sport their child participates in. Members will also be called on to volunteer for special events, help with fundraisers and offer their creative ideas to enhance our sports programs to the fullest. Booster Club membership includes free admission for two adults to all home games.
