

## ECA Parking Permit Regulations

Evangel Christian Academy has instituted a permit parking program to gain the best utilization of our limited parking resources. The goal of the program is to restrict parking on our campus to only those who are current members of our student body, faculty or staff.

### The regulations are as follows:

- Current year permits are required for all vehicles parked on ECA property.
- New permits must be obtained each year.
- Permit cost for the 2009-2010 school year is \$15.00. Please make all checks out to Evangel Christian Academy.
- In order to obtain a permit, the applicant must be a current ECA student, faculty, or staff member and must present a valid Alabama Drivers License, current registration, and current insurance along with the appropriate form.
- The permits are valid from August 1 – May 31.
- Permits are the property of ECA and may be revoked if applicant violates any traffic regulations on school property. These include but are not limited to driving without a license, speeding through the parking lot, and endangering the lives of others.
- Permits for the 2008 – 2009 school year are no longer valid.

I have a current Alabama Driver's License, registration, and insurance. I agree to abide by all regulations ECA sets for as to parking and driving on the ECA campus. I understand that if I violate these regulations, ECA has the right to confiscate my parking permit and that I will not be permitted to drive or park on the ECA campus. I also understand that ECA may refuse future parking permits if I have any violations that endangered others.
