

EDUCATIONAL SEMINARS

Preparation for ACT and PSAT/SAT

Dear Parents:

A score increase of even one or two points on the ACT college admissions test can make the difference in your student getting accepted at the college of their choice and/or qualifying for scholarships and honors programs.

ZAPS Learning Company has scheduled a seminar in your local area to provide your student with strategies and tips that have been shown to raise ACT scores 1 to 5 points. For more than three decades, ZAPS has been helping high school students do their best on the ACT. (Find out more about what a ZAPS seminar can do for your student by reading the back of this letter.)

Register your student today for a local ZAPS test-preparation seminar:

ACT SEMINAR
Evangel Christian Academy
Sunday, April 1
Time: 1:00 PM - 6:30 PM

The seminar fee is only **\$79**. By comparison, similar seminars often cost \$500 or more when taken privately. Included in the seminar cost are **24 practice tests** and a comprehensive **ZAPS ACT study guide**. Ultimately, your student's score increase will depend on how much time and effort he or she puts into practicing and applying the ZAPS techniques.

To take advantage of this opportunity, you may enroll on-line at www.zaps.com and pay by credit card, or you may register your student to take a check to the seminar. Alternatively, you may call toll-free **877-927-8378** to enroll.

We request that students bring two pencils and a calculator to the seminar. Students in one-day seminars will typically be offered a 30- to 45-minute snack or lunch break, depending on the schedule. Students are responsible for their own food.

The ZAPS ACT seminar is for college-bound students of all ability levels. Enrollment is limited; register early to guarantee a place for your student.

Sincerely,
